Assess. Verify. Certify.
Your Path to Business Readiness

BVT is more than an assessment, it is a guided system to certify your organisation's capability.

1. ASSESS

Start free and receive your initial Vitality Score. Inside the platform, Ask Ali AI works alongside you providing real-time guidance. Upgrade to unlock deeper insights, helping you build the systems and evidence required to strengthen your organisation and progress to verification.

2. VERIFY

When you're ready, the VGC verification team independently assesses your organisation against the full BVT assessment framework, reviewing your systems, documentation, and evidence to ensure alignment with real-world standards for funding, compliance, and procurement.

3. CERTIFY

VGC issues your BVT Certificate, an independently verified credential, assessed by qualified professionals with expertise in governance, finance, and compliance, positioning your organisation for funding, government tenders, and procurement opportunities.

Powered by Ask Ali AI. Real-time guidance. Practical support. Built for community enterprise readiness.
